

YOUTH CULTURAL CENTRE MARIBOR Mladinski kulturni center Maribor

A public institute, founded in 1993 by the Municipality of Maribor. It organizes cultural and youth program performed by the young, and program intended for the young.

With its program it enables artistic and creative work of the young in various fields. Not only does it secure advice, mentorship and informal education, it also provides technical and infrastructural services. Besides the regular program activities, the institute supports both permanent and temporary projects. Hostel Pekarna is since 2011 an important commercial part of MKC Maribor.
